

Growing People and Profits.

I would like to thank the members of ILCA's WNG, and all of the people who attended my October 8th talk. Thank you all for the kind words you sent. I am glad that you felt the information was valuable, and that many of you are already using your newfound knowledge. As promised, I am sending you the OPPP [One page PersonalPlan], along with some key questions you should ask yourself in order to help you find your purpose and stay on your path. I've also included the take-away pages and added the books and authors I referenced. Please be sure to visit YOUTUBE and watch Jim Collin's, The Stockdale Paradox.

Since there was such a positive response to the talk and the OPPP, as an added benefit I will be giving a FREE 15 meeting tutorial on ZOOM on how to use the OPPP. For those of you who would like to attend the OPPP tutorial session, please contact me at judy@guidoassoc.com. I will provide dates and times for the ZOOM session. If you'd like additional free tools to help you grow, please email me and also connect with with me on LinkedIn, Facebook and Twitter.

I feel honored to be a part of such a strong and powerful community. Thank you again for allowing me to be a part of your journey.

With gratitude,

Judith Guido
