April Pitts
Chalet Landscape

April is a passionate and experienced landscape architect who graduated from the University of Illinois in 2018 with a bachelor's degree in Landscape Architecture. With over six years of experience at Chalet Landscape, she has developed a reputation as a lead designer specializing in large-scale master plans, where her creativity and attention to detail bring visionary outdoor spaces to life. In addition to her design work, April thrives in business development, forging new connections and expanding the company's reach. Her blend of design expertise and business acumen makes her an invaluable asset to her team and clients alike.
