About InVigorateU

- Created as a one-day education event in 2015 to provide continuing education opportunities for landscape architects
- Has evolved into a two-day conference for growers, landscape professionals, irrigation contractors, and retailers.
- Hosted annually in Bloomington, IL as a way to connect members of the industry statewide
- Average total attendance is 325
- Education content is focused primarily on plants/horticulture with additional emphasis placed on design.
- For more details about the event, visit www.landscapellinois.org/il-events/invigorateu-2026/
