

Landscape Illinois Committees

- Get Involved -

Landscape Illinois committee involvement is the best way to augment your membership. Membership, in any organization, requires both give and take. By participating on a committee, you match your special interests and talents to a Landscape Illinois program or initiative.

Please consider participation on one of these Committees.

Meetings typically run 2 hours and are held at Landscape Illinois Headquarters in Oak Brook.

All committee members must be members in good standing. The organization, not the individual is the member.
