### **Landworks Ltd.**

Gabriel Pizzuto, Vice President of the Landworks Group of Companies, has spent over 10 years in the green industry, working in every capacity during his tenure. His educational background includes certifications from green industry and construction associations, undergraduate study of architecture at College of DuPage, and business administration at DePaul University in Chicago. Utilizing his knowledge from school as well as his time in the field, he brings leadership through example and promotes partnership in problem solving.

His ability to communicate clearly and make concise decisions not only benefits his team but also clients, leading to on time and on budget projects. Above all, he has continued his father's pillar of integrity, standing behind his work and word. During his leadership at Landworks, he has successfully grown the company through several acquisitions, delivered over 50 million dollars in work, and brought the Landworks brand to the forefront of the Chicago market as the leader in executing complex and high profile commercial and municipal landscape projects. Gabriel's goal is not centered around growth, rather promoting the next generation of professionals to find their passion in the field he loves. In his time outside of the office, he enjoys working on projects at home and spending time with his wife, son, and dog.
